Accord is a privately owned financial services firm and sources investment, insurance products from any supplier who meets our specific selection criteria.

Before seeking our advice, you will have a number of questions to ask about Accord. You have the right to ask us about our charges, the type of advice we will give you and what you can do if you have a complaint about our services.

You should be aware that you are entitled to receive a Statement of Advice (SoA) or Record of Advice (RoA) that takes into account your objectives, needs and financial situation when we provide you with specific financial planning advice. The Advice document will contain the advice; the basis on which it is given and information about our fees, associations, potential conflicts of interest and any other indirect benefits that may have influenced the selection of particular products. You may request verbally or in writing for a copy of the advice given within 7 years of the advice being given.

In the event we make a recommendation to acquire a particular financial product or offer to issue or arrange the issue of a financial product, we must provide you with a Product Disclosure Statement (PDS) containing information about the particular product that will enable you to make an informed decision in relation to the acquisition of that product.

If we have an ongoing fee arrangement with you which exceeds 12 months, then you will receive from us an annual Fee Disclosure Statement setting out the fees you have paid to us, the services that we contracted to provide and what we did provide to you over that period. A service agreement will be supplied clearly defining the services provided and the fees involved at time of engagement. The ongoing service fee is calculated on either, a time basis or the funds under advice at the time of appointment and updated at each Annual Review. Every year we will send you a renewal / consent notice requesting your consent for us to continue to provide services to you. We must have your consent within 30 days of that notice in order for us by law to continue to provide services to you.

As a financial service provider, we have an obligation under the Anti Money Laundering and Counter Terrorism Finance Act to verify your identity and the source of any funds. This means that we will ask you to present identification documents such as passport or driver's licence and Medicare card. We will retain copies of this information securely.
